## LIBRARY MEDIA PROGRAM QUICK REFERENCE GUIDE

Did you know that. . .

. . . you can receive library media certification from UW Oshkosh? The program is alive and well.

. . . you can earn a master's degree in educational leadership with a library media emphasis? Indeed you can!

. . . if you have your teaching license or are working toward it, you can also get your Initial library media 902 licensure at UW Oshkosh? Yes, it's true.

. . . if you already have your 902 Initial library media licensure and are in need of your 902 Professional library media licensure, the courses are available at UW Oshkosh? They are.

. . . if you are trying to become an instructional media library supervisor, there is a program available at UW Oshkosh? There is. Come talk with us. We'll tell you more.

## Library/Media Specialist Programs

Expand Your Teaching Opportunities and School Impact.....

## Initial Instructional Library Media Specialist (902 Initial License)

*(This is a 5-year only, non-renewable license. People seeking Library Media licensure should have already completed regular student teaching. As part of the 902 Initial license, they will need to complete student teaching in the Library Media Center, which is the practicum course. To continue as a Library Media Specialist, you must complete the 902 Professional within five years. If you have already taken these courses in another program, you most likely will not have to repeat them.)*
